

Rush Mat

Textile mouse pad for all gamers

The SHARKOON Rush Mat with its robust textile surface guarantees minimal start and drag resistance, so that the mouse operates quickly, quietly, and accurately while the pad's natural rubber underside serves as an adhesive surface, preventing unintentional slips - both the absolutely essential requirements of every gamer.

Features:

- Dimensions: 350 mm (W) x 255 mm (H)
- Low height: only 1.4 mm
- Extremely robust and sturdy textile surface
- Absolutely non-slip "Rubber Base" for perfect grip
- Minimal start and drag resistance for maximum precision
